

WINE SELECTION OF THE MONTH

Thai Blossom

THAI-STYLE WHITE WINE

Thai and Asian Restaurants are known for their fresh wholesome ingredients, friendly attentive service and subtle exotic spices. Thai Blossom is a fruity, medium bodied Thai-style wine, finished off dry with a touch of sweetness. Hints of melon, citrus, grapefruit and tropical aromas combine with the natural spiciness of the Chenin Blanc grape. With the Chenin Blanc, some amount of both Chardonnay and Sauvignon Blanc are added to the final blend to provide complexity and depth to the finished wine. Thai Blossom has been especially blended by Thai winemaker SOMCHAI LIKITPROKONG to accompany Thai and other Asian Cuisine.

Serve Chilled.
